

Privacy Policy

General

We are committed to protecting your privacy. Our privacy policy explains what information (if any) we collect about users of our website and describes how we will use it. Our website may contain links to other sites that are outside our control and are not covered by this privacy policy. If you access other sites using the links provided, your information may be used by the operators of those sites in accordance with their privacy policy, which may differ from ours.

What information do we collect?

We collect information from you when you fill out a form. When contacting us through our site, as appropriate, you may be asked to enter your name, email address, mailing address, or phone number. We do not collect any financial information.

What do we do with the information we collect?

Any of the information we collect from you may be used in one of the following ways:

- To improve customer service (your information helps us to more effectively respond to your customer service requests and support needs).
- To send periodic emails. The email address you provide may be used to send you information and updates pertaining to your inquiry, in addition to receiving occasional company news, updates, or related product or service information, etc.

Marketing

For those who have registered for a service, product, or newsletter, we may use your information to notify you regarding relevant information. We may contact you by email or phone. If at any time you decide you no longer want to be contacted by us or to receive information, please contact us and we will remove you from our list.

Disclosures of Your Information

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect our or others' rights, property, or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Do we use cookies?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your web browser (if you allow) that enables the sites or service providers' systems to recognize your browser and capture and remember certain information. We use cookies to compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future. Most browsers allow you to turn off the cookie function. If you want to know how to do this, please look at the help menu on your browser. Allow your browser to accept cookies if you would like to use the functionality of this site. We may contract with third-party service providers to assist us in better understanding our site visitors. These service providers are not permitted to use the information collected on our behalf, except to help us conduct and improve our business.

Online Privacy Policy Only

This online privacy policy applies only to information collected through our website and not to information collected offline.

Your Consent

By using our site, you consent to our online privacy policy.

Changes to Our Privacy Policy

Any and all changes to our privacy policy will be posted on this page.

Contacting Us

If there are any questions regarding this privacy policy, you may contact us at pgpriskcontrol@outlook.com or call use at 407-495-0739.

WEBSITE ACCESSIBILITY

PGP Risk Control LLC is committed to ensuring that individuals with disabilities can access services offered by PGP Risk Control LLC through our website. We are utilizing guidelines issued by the Web Accessibility Initiative (WAI) of the World Wide Web Consortium (W3C) to implement functional improvements and are also working to ensure that all content on our website satisfies the criteria set forth in WCAG 2.0. If you are having trouble accessing our site, please contact us anytime.
